Section 11	Frequently Asked Questions	<i>All Users</i>

Section 1: Getting Started

The Touch of Hope website is open to everyone — no account needed to browse. Here is what you can see and do as a visitor.

What you will find on the public website

Homepage	A welcome message, the organisation's mission, and key statistics — number of members, total funds raised, active campaigns, and volunteers.
Announcements	The latest updates and notices posted by the chairperson or secretary.
Campaigns	All active fundraising campaigns with progress bars showing how much has been raised versus the target.
Events	Upcoming community events with dates and locations.
Projects	Ongoing and completed community projects with impact summaries.

How to navigate the public site

Use the navigation bar at the top of the page:

About — scrolls to announcements and latest updates

Campaigns — scrolls to the fundraising campaigns section

Events — scrolls to upcoming events

Projects — scrolls to community projects

Donate / Login — opens the login page where you can donate or sign in

■ You can donate without creating an account. Click **Donate / Login** → **Sign In** → then proceed to the donation page as a guest.

Section 2: Creating an Account

To access the member portal, make donations with a receipt, or apply to volunteer, you need a member account. Registration is free.

How to register

**Step
1**

Open the login page

Click Donate / Login in the navigation bar on the public website.

**Step
2**

Switch to the Register tab

Click Register at the top of the login box.

**Step
3**

Fill in your details

Enter your full name, phone number (+254 format), email address, a password, and your National ID number.

**Step
4**

Password requirements

At least 8 characters · one uppercase letter · one number. Example: Kenya2025

**Step
5**

Submit your application

Click Submit Application. You will receive an email with a verification link.

**Step
6**

Verify your email

Open the email and click the Verify Email Address button. The link expires in 24 hours.

**Step
7**

Await approval

Your account is reviewed by the Chairperson or Secretary. You will receive a welcome email once approved.

■ If you do not receive the verification email, check your spam folder. The email comes from Touch of Hope CBO.

■ Approval usually takes 1–2 business days. You will receive an email the moment your account is activated.

Section 3: Signing In

How to sign in

**Step
1**

Open the login page

Click Donate / Login on the public website, or go directly to login.html

**Step
2**

Enter your credentials

Type your email address and password in the Sign In tab.

**Step
3**

Click Sign In

You will be taken to your portal dashboard automatically.

Forgot your password?

**Step
1**

Click Forgot password?

Find the link below the Sign In button on the login page.

**Step
2**

Enter your email

Type your registered email address and click Send Reset Link.

**Step
3**

Check your email

Open the email from Touch of Hope CBO and click Reset Password.

**Step
4**

Set a new password

Enter a new password (meeting the requirements) and confirm it.

■■■ Reset links expire after 1 hour. If the link has expired, request a new one.

Signing out

Click **Sign Out** in the top-right corner of the portal. Your session is cleared immediately.

Sessions expire automatically after 8 hours of inactivity.

Section 4: Member Portal

After signing in, every user sees a portal tailored to their role. The sidebar on the left shows only the pages you have access to.

Dashboard

The first page you see after login. It shows:

Welcome banner	Your name, role, and membership number.
Statistics	Total members, funds raised, active campaigns, and volunteer count — updated in real time from the database.
Active campaigns	Progress bars showing how each fundraising campaign is doing.
Announcements	The latest notices from the organisation.

My Profile

Access from sidebar: My Profile

Edit name & phone	Change your displayed name or phone number. Click Save Changes.
Change password	Enter your current password, then the new one twice. Must meet the password requirements.
My Donations	See your full donation history with dates, amounts, and payment methods.
Membership No.	Your unique membership number assigned at registration (e.g. TOH-0042).

Section 5: Making a Donation

You can donate from the portal (if signed in) or from the public website (as a guest). Multiple payment methods are supported.

Step-by-step donation guide

Step 1	Open the donation page In the portal sidebar, click Make Donation. On the public site, click Donate Now or any Donate → button on a campaign card.
Step 2	Choose a campaign (optional) Click on a campaign card to direct your donation to that specific cause. Leave unselected to give to the General Fund.
Step 3	Enter the amount Click one of the quick-select buttons (KSh 500, 1,000, 2,500, 5,000) or type any amount in the box.
Step 4	Select payment method Choose from M-Pesa, Card / Apple Pay, PayPal, or Bank Transfer.

M-Pesa payment

1. Enter phone	Type your M-Pesa number in the format 07XXXXXXXX or 254XXXXXXXX.
2. Enter your name	Type your full name so we can send you a receipt.
3. Click Pay Now	Click the green Pay Now via M-Pesa button.
4. Check your phone	A PIN prompt appears on your phone within a few seconds.
5. Enter PIN	Type your M-Pesa PIN and confirm. You have 60 seconds.
6. Confirmation	The page updates automatically to show Payment Confirmed with your receipt number.

■ ■ If you do not receive the PIN prompt: check your phone network, ensure the number is correct, and try again. Do not click Pay Now more than once.

Card / Apple Pay / Google Pay (Stripe)

1. Click Load Form	A secure Stripe payment form loads on the page.
2. Fill details	Enter your card number, expiry date, and CVC. On mobile, Apple Pay or Google Pay may appear automatically.
3. Confirm	Click the Pay button. Stripe processes the payment securely.
Receipt	A receipt is emailed to you immediately after successful payment.

■ Card payments are processed by Stripe — Touch of Hope never stores your card details.

PayPal

1. Click PayPal	Click Continue with PayPal. A PayPal popup opens in a new browser tab.
2. Log in to PayPal	Sign in with your PayPal account or pay as a guest with a card.
3. Approve	Confirm the amount and approve the payment in PayPal.
4. Return	Close the PayPal tab. The donation page updates within seconds.

■ PayPal converts your KES amount to USD automatically. The USD amount is shown in the PayPal popup.

Bank Transfer

Bank details are shown on screen after selecting Bank Transfer:

Bank	Equity Bank Kenya
Account Name	Touch of Hope CBO
Account No.	0450292893819
Branch	Nairobi CBD
After transfer	Email proof of payment to treasurer@touchofhope.org . The Treasurer will manually confirm your donation.

Section 6: Volunteer Portal

Available to users with Volunteer role or higher. To become a volunteer, any member can submit an application.

Applying to become a volunteer

Step 1	Go to My Volunteer Hub Click My Volunteer Hub in the sidebar (available to all members).
Step 2	Fill the application Enter your skills (comma-separated, e.g. Teaching, Medical, IT), your availability, and a brief bio.
Step 3	Submit Click Submit Application. The Secretary receives a notification.
Step 4	Await approval Once the Secretary approves, your role upgrades to Volunteer and additional pages appear in your sidebar.

Volunteer Hub features

My Events	Lists all events you have registered for, with dates and locations.
Available Events	Lists upcoming events you can join. Click Join → to register.
Skills & Bio	Update your skills and availability at any time by editing the form and clicking Submit Application again.

Section 7: Secretary Functions

Secretaries manage day-to-day operations: volunteers, events, and announcements.

Approving new members

**Step
1**

Open Users page

Click Users in the sidebar.

**Step
2**

Find pending users

Users with a Pending badge are awaiting approval.

**Step
3**

Approve

Click the Approve button next to the user. An email is sent to the user automatically.

Managing volunteers

**Step
1**

Open Volunteers page

Click Volunteers in the sidebar.

**Step
2**

Review application

Pending applications show the volunteer's name, skills, and availability.

**Step
3**

Approve

Click Approve. The user's role upgrades to Volunteer automatically.

Creating events

**Step
1**

Open Events page

Click Events in the sidebar.

**Step
2**

Create event

Click + Create Event. Fill in the title, date, location, number of volunteers needed, and description.

**Step
3**

Save

Click Create Event. The event appears immediately on the public website and in the volunteer portal.

Posting announcements

**Step
1**

Open Announcements page

Click Announcements in the sidebar.

**Step
2**

Post new announcement

Click + Post Announcement. Enter a title and the content.

**Step
3**

Visibility

Check Visible on public website to show it on the homepage. Uncheck for internal-only.

**Step
4**

Post

Click Post. The announcement appears immediately.

■■ Announcements marked as Public appear on the public website immediately. Review before posting.

Section 8: Treasurer Functions

Treasurers manage finances: viewing all donations, recording manual payments, and viewing financial reports.

Viewing financial reports

Click **Finances** in the sidebar. You will see:

Summary cards	Total funds raised, average donation, M-Pesa total, and online (Stripe) total.
Donation table	Every donation with donor name, campaign, amount, payment method, status, and date.
Monthly breakdown	Aggregated totals by month for the past 12 months.
By payment method	Split of M-Pesa vs Stripe vs PayPal vs Bank vs Cash.

Recording a manual donation (cash or bank transfer)

Step 1	Open Finances Click Finances in the sidebar.
Step 2	Record Donation Click + Record Donation button.
Step 3	Fill in details Enter the donor's name, email (optional), amount, campaign (optional), payment method (bank or cash), reference number, and date.
Step 4	Save Click Record. The donation is saved and a receipt email is sent to the donor if an email was provided.

Viewing campaigns

Click **Campaigns** in the sidebar to see all campaigns with their progress bars, current totals, and status.

■ Campaign totals update automatically when online donations (M-Pesa, Stripe, PayPal) are confirmed.

Section 9: Chairperson Functions

The Chairperson has access to all features. This section covers functions unique to the Chairman role.

Managing campaigns

**Step
1**

Open Campaigns

Click Campaigns in the sidebar.

**Step
2**

Create campaign

Click + New Campaign. Enter a title, description, target amount (KSh), and end date.

**Step
3**

Launch

Click Launch Campaign. The campaign appears on the public website immediately.

■ Deleting a campaign is permanent. Donations already made to a deleted campaign are retained in the system.

Managing community projects

**Step
1**

Open Projects

Click Projects in the sidebar.

**Step
2**

Create project

Click + New Project. Enter title, location, start date, status, description, and impact summary.

**Step
3**

Status options

planning → active → completed → on-hold. Updating status updates the project's appearance on the public site.

Managing users and roles

Approve users	Users page → click Approve next to any pending user.
Change role	Users page → use the dropdown next to a user to change their role. Takes effect immediately.
Suspend a user	Users page → click Suspend. The user cannot log in until reactivated.

■■ Be careful when assigning roles of Secretary, Treasurer, or Chairman — they give significant access to sensitive data.

Viewing audit logs

Click **Audit Logs** (under Admin in the sidebar) to see a full record of all significant actions: logins, approvals, role changes, backups, restores, and more.

■ Check the audit log regularly to monitor for any unusual activity.

Section 10: Backup & Restore

The database backup system protects all organisation data. As Chairperson, you can configure automatic backups and restore the database if needed.

Configuring automatic backups

- | | |
|---------------|--|
| Step 1 | Open Backup & Restore
Click Backup & Restore in the Admin section of the sidebar. |
| Step 2 | Set frequency
Click Daily, Weekly, Hourly, or Monthly. |
| Step 3 | Set time
Set the time of day for daily/weekly/monthly backups (24-hour format, e.g. 02:00 for 2 AM). |
| Step 4 | Set retention
Enter how many days to keep old backups (default: 30 days). |
| Step 5 | Enable destinations
Toggle Local Backup (saved on the server) and/or Cloud Backup (Google Cloud / AWS S3 / Azure). |
| Step 6 | For cloud backup
Select your cloud provider and enter the bucket/container name. Your IT contact must configure the cloud credentials on the server. |
| Step 7 | Save
Click Save Configuration. The schedule takes effect immediately. |

Running a manual backup

Click **Run Backup Now** at any time to create an immediate backup. The new file appears in Backup History within seconds.

Viewing backup history

The Backup History panel shows all past backups with their filename, date, size, and whether they were uploaded to the cloud.

Restoring from a backup

■■ Restoring **OVERWRITES** all current data with the backup copy. The system creates an automatic safety snapshot before every restore. Only do this if advised by your IT contact.

Step 1

Select backup

Use the dropdown in the Restore Database panel to choose a backup.

Step 2

Confirm

Click Restore Selected Backup. A confirmation dialog appears.

Step 3

Wait

The restore process takes 1–3 minutes depending on database size. Do not close the browser.

Step 4

Done

A success message confirms the restore is complete.

Section 11: Frequently Asked Questions

Q: I did not receive my verification email.

A: Check your spam or junk folder. The email comes from Touch of Hope CBO. If still not found, ask the Chairperson to manually verify your account via the Users page.

Q: My account says "pending approval" when I try to log in.

A: Your email is verified but your account has not yet been approved. The Chairperson or Secretary will approve it — you will receive an email when it's done.

Q: I initiated an M-Pesa payment but did not receive a PIN prompt.

A: Check your phone signal. Make sure the number entered starts with 07 or 254. Wait 1 minute and try again. Do not click Pay Now multiple times as each click sends a separate push.

Q: My donation shows as Pending — has it gone through?

A: Pending means we are waiting for confirmation from the payment provider. M-Pesa confirmations arrive within 1–2 minutes. If it stays Pending after 5 minutes, click Check Status on the donation page, or contact the Treasurer.

Q: Can I donate anonymously?

A: Yes. On the M-Pesa form, enter Anonymous as your name. You will still receive a receipt if you provide an email address. If you do not provide an email, no receipt is sent.

Q: How do I update my email address?

A: Email address changes are handled by the Chairperson for security reasons. Contact chairman@touchofhope.org with your request.

Q: I forgot my password and the reset email is not arriving.

A: Check spam. If the email is not arriving within 5 minutes, the email address may not match a registered account. Try a different address, or contact the Chairperson.

Q: Can I see which campaigns my donation went to?

A: Yes. Go to My Profile → My Donations. Each donation shows the campaign name (or General Fund if no campaign was selected).

Q: The public website is not showing the latest updates.	A: Updates post in real time. Try refreshing the page (Ctrl+R or Cmd+R). If the issue persists, the backend server may be temporarily offline — contact your IT contact.
Q: I applied to volunteer but my role has not changed.	A: Volunteer applications are reviewed by the Secretary. Once approved, your role upgrades and the Volunteer Hub appears in your sidebar automatically at your next login.
Q: How do I change another user's role?	A: Only the Chairperson can change roles. Go to Users in the sidebar, find the user, and use the role dropdown.
Q: Is my card information stored on the website?	A: No. Card payments are processed entirely by Stripe. Touch of Hope never sees or stores card numbers. Only Stripe-secured systems handle card data.
